

PEDIATRIC TRAUMA CARE MAP

CO-ORDINATION

RESUSCITATION

DISPOSITION

*ORNGE Pre-warn informs ORNGE of a potential need for critical care transfer and they will hold resources. (Pediatric patients 12 years and under)

**Call ICU INTENSIVIST on call AND pediatric intensivist Dr. Brown, Stallwood or Scott (even if not listed "on call") if patient is critically ill and/or ventilated.

***Pediatrician to call the Pediatric Critical Care Resource (PCCR) Team through Critical (1-800-668-HELP (668-4357)). London is our preferred destination.

****If simple single system - MRP is a pediatrician with specialist providing concurrent care.
